

Fall 2023
Grateful, Thankful & Blessed

Celebrating our Blessings and Sharing our Gratitude

As we draw near to the end of 2023 we look back on all the blessing we have received this year at Holy Redeemer Grade School. We are grateful to our families who trust us with their children, to our staff who are committed to Catholic education and to our benefactors who give so we can meet the need of the whole child; both physically, academically and spiritually. Yes, we are truly blessed!

Proudly Catholic

Holy Redeemer Grade School continues to have a strong religious presence to help guide and influence our students. We have three orders of Sisters supporting our students; the IHM Sister, Sisters of Mercy and SOLT Sisters. We also have SOLT postulants, volunteers, priests and brothers interacting with our students through out their day.

Sustainable

Our enrollment is near capacity because of the many scholarship opportunities for our families. Through community benefactors and grants we have been able to keep our building and programs updated and state of the art.

Academically Excellent

Programs are in place to meet students' academic needs through small group learning. With classroom aides, GEM Room tutors, and special programs such as coding, robotics, and medical club; we are continuously finding ways to keep our students engaged and excited about learning.

Accessible To All

We celebrated our 10th annual Dan Ewald Scholarship Dinner in August with an evening out with former Detroit Tiger's player, Frank Tanana. We broke our record for both attendance and money raised for scholarships. This event along with our many alumni and benefactors is what allows us to open our doors to so many.

The mission of Holy Redeemer Catholic School is to form disciples of Christ, who are proudly Catholic, in a safe, encouraging environment, who grow in faith, strive for academic excellence and serve their community with love and integrity.

Annual Day of Giving Tuesday, November 28th

Check out our website and Facebook page to see a special message from our students thanking you for all the blessings you bring to Holy Redeemer Grade School!

We invite you to become a part of this family. It takes numbers to stand strong and we need you! The cost of educating a student in a Michigan Public School is \$9,150. We are tuition based and ask our parents to pay \$3,700. Of our students, 95% receive some form of Scholarship, either through the Archdiocese of Detroit or through our own scholarship fund. Consider the great possibilities if you become a part of this mission. Your donation will allow us to welcome more students to the Holy Redeemer Family.
