

Summer 2023
Building a Strong Foundation
to Support Future Leaders

Our Foundation Formed Many Years Ago

As the school year comes to a successful end, it is rewarding to look back at the journey. The IHM sisters built a firm foundation on which to support many years of educating Christ's young disciples. We are proud of our 140 year heritage and so blessed to be able to continue preparing our future leaders strong in faith, academics, service and community. Holy Redeemer Grade School is grateful to all those past and present who believe in our mission and have been the building blocks to our continued success.

Proudly Catholic

Forming disciples of Christ Pre-K through 8th grade by building a firm foundation of faith, hope and love with Catholic values. Our faith based retreats offer opportunities for our students to reflect and grow stronger in their faith.

Sustainable

Continuing to bring technology and innovation into the classroom by creating environments where learning is interactive, collaborative and thought provoking. Our Medical, Coding, and STEM Classrooms are perfect examples of how our students are accomplishing these skills.

Academically Excellent

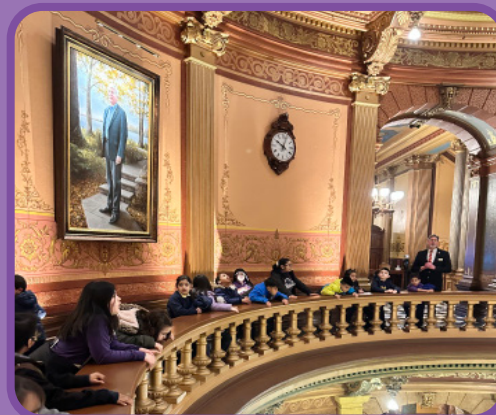

We are constantly finding ways of building upon core academics by bringing in real world applications. Lansing trips, Solanus Casey Center visits and the Science & Engineering Fair of Detroit allow our students to showcase their skills.

Join us for our Scholarship Dinner with Frank Tanana!

All proceeds benefit the students' scholarships.

We invite you to become a part of this family. It takes numbers to stand strong and we need you! The cost of educating a student in a Michigan Public School is \$9,150. We are tuition based and ask our parents to pay \$3,700. Of our students, 95% receive some form of Scholarship, either through the Archdiocese of Detroit or through our own scholarship fund. Consider the great possibilities if you become a part of this mission. Your donation will allow us to welcome more students to the Holy Redeemer Family.
